[LeAnn Morris](#), Special Education Consultant

[Veronica White](#), Administrative Assistant

The Georgia Learning Resources System (GLRS) was established in 1971 as a component of the statewide initiative to serve exceptional students. The chief objective of the project is to provide necessary support services to teachers assigned to work with disabled students. Services have been extended to parents, students, administrators, regular educators, and related services personnel.

[What is GLRS?](#)

At the present time the statewide network of offices provides the following services to EVERY system in the state:

Information Dissemination

[Child Identification/Child Find Efforts](#)
