Looking for great Web sites? Check out my favorites:  
[Kim's List of Math Web Sites](#)

Remember to integrate reading and writing in the math classroom to motivate and engage your students! Check out the [Reading List for Math Class](#).

Performance Tasks are provided by the Georgia Department of Education for each grade level through the Mathematics Frameworks (go to [www.georgiastandards.org](http://www.georgiastandards.org)).

If you are looking for additional performance tasks, check out these free resources:
