## ***2019 Griffin RESA Regional Science & Engineering Fair Results***

### **INTEL ISEF Award Winners 2019**

The Griffin RESA Regional Science & Engineering Fair is affiliated with the Intel International Science & Engineering Fair (Intel ISEF).

The Intel International Science & Engineering Fair (Intel ISEF), the world's largest international pre-college science competition, provides an annual forum for approximately 1,800 high school students from more than 75 countries, regions, and territories to showcase their independent research and compete for on average \$4 million in awards. The Intel ISEF is the premier global science competition for students in grades 9–12.

The Intel ISEF will be held in Phoenix, AZ on May 12-17, 2019. More information about the fair can be found at <https://student.societyforscience.org/intel-isef> .

The students listed below will represent the Griffin RESA Regional Science & Engineering Fair at the Intel ISEF for 2019.
