Big Reveal for Social Studies Standards *for Grades 6-8*

Come find out what's behind door number three and catch the excitement over the reveal of the revised Social Studies GA Standards of Excellence. Participate in a crosswalk to see how the standards are different, roll up your sleeves to deconstruct standards, and practice some fun inquiry based strategies.

This class will focus on how the revisions will impact instruction with the roll-out in 2017-18. Instructor will share strategies and resources that support TKES Standards 1, 3, 5, and 8 and support teacher professional learning goals in effective planning and instruction in the social studies classroom. Teachers will leave with practical takeaways that will positively impact teaching and learning.
