September 19, 2017

Dear Principal,

We are pleased to announce that we are once again sponsoring a Regional Middle School Math Competition. The Griffin RESA Middle School Math Competition for the 2017-2018 school year has been scheduled for Thursday, January 25, 2018. The event will take place at the Griffin RESA Auditorium from 9:00 am to 2:00 pm. We look forward to your school's participation in this event.

There will be a \$25.00 registration fee per team to cover the cost of awards and other supplies. We plan to have up to three divisions in the competition this year based on the student enrollment of the individual schools. **Please provide us with your school's current enrollment so that we may place your team in the correct division.**

Please return the information below to us as soon as possible (*by November 13 at the latest*) so we may complete the planning process. **If your school is unable to attend this year, please email or return this form indicating that information.** Registration Forms and Contest Rules will be emailed to participating schools in November.

Please do not hesitate to call or email if you have any questions about the Middle School Math Competition.

Thanks,

Sara Wilson
 6-12 Math Specialist, Griffin RESA

Our school, _____, will will not participate this year.

Our current student enrollment is _____ students.
