## Writing Conferencing with Confidence *For Grades K-8*

Does the idea of writing conferencing sound great but seem unrealistic or unattainable? In this course, we will break down writing conferencing to make it viable and successful for you and your students.

Writing conferences are the heart and soul of writing instruction. If done well, this one-on-one time enables teachers to truly individualize instruction and move all students forward-especially your most struggling writers. As a result of this course you will be able to distinguish between what a quality writing conference is and isn't, learn a 5-7-minute conference cycle that streamlines the process, discover the power of a conferencing kit, be exposed to resources to help you know what to teach, learn how to maximize success through goal setting and progress monitoring, and be able to use these conferencing techniques as a foundation for small group writing instruction. You will leave this course with not only knowledge and inspiration, but a starter kit to begin holding writing conferences with confidence.

Instructor will share strategies and resources that will support TKES Standards 1,2, 3,4,5,6,7, and 8 with practical takeaways that will positively impact teacher practice and student achievement.
