As you return to start the school year, Griffin RESA invites you to take advantage of the support we offer to our wonderful regional educators this summer and throughout the year. Our Make-it & Take-it Center contains laminators, paper cutters, poster makers, binding machine, copier/print machines, electric die cutter, button maker, plaque maker, assorted cardstock, assorted color bond paper, and other devices for the creation of materials. We offer customized and personalized service so educators may email, phone, or drop-off requests and/or materials to be printed, laminated, or other forms of development for very low cost.
