

Behavior Management Across All Tiers

WHEN

September 11, 2025
8:30 am – 3:30 pm

Registration Deadline: September 9, 2025

CLASS DESCRIPTION

Understanding how to support student behavior across all three tiers of MTSS can be challenging, but you're not alone! Prevention is the key. How can we prevent undesired behavior? In this course, participants will explore preventative and proactive universal management techniques (Tier 1), targeted interventions for students requiring additional support (Tier 2), and intensive strategies for students with significant behavioral challenges (Tier 3). The course will align with the preventative Multi-Tiered Systems of Support (MTSS) framework to ensure a structured and evidence-based approach to behavior management. Ideal for teachers, administrators, behavior specialists, counselors, and support staff, this session empowers educators to create supportive learning environments where all students can thrive behaviorally and academically.

TARGET AUDIENCE

K-12th Grade Teachers,
Paraprofessionals,
