Building Thinking Classrooms in K-12 Mathematics

“Looking for instructional practices that develop students who are mathematical thinkers and problem solvers?” Register for this class today. In this session for K-12 Mathematics teachers, participants will explore 14 rich, evidence-based, and research-based teaching practices for enhancing learning.

Using ideas from Peter Liljedahl’s “Building Thinking Classrooms in Mathematics”, teachers will learn to how to use 14 highly engaging and effective instructional practices to bring mathematical concepts to life and transform teaching and learning.

Instructors will share strategies and resources to support participants in instructional planning and creating a challenging environment (TKES Standards 2, 5, and 8) that will positively impact teacher practice and student achievement.

Date:	October 24, 2023
Time:	8:30am-3:30pm
Location:	Griffin RESA
Cost:	\$35 (<i>Registration is required</i>)
Target Audience:	K-12 Math Teachers

Register online at www.griffinresa.net

Registration Deadline: October 17, 2023
