

Classroom Management for PK-5th

When

January 21, 2026
8:30 am – 3:30 pm

Registration Deadline: January 14, 2026

CLASS DESCRIPTION

Enhance Your Classroom Management Skills! Effective classroom management goes beyond simply addressing discipline issues; it involves a thoughtful approach to creating an organized, positive, and engaging learning environment for all students. Join our PK-5 Classroom Management course designed specifically for school personnel working with young learners. This course will equip you with the tools to: Organize and manage an effective learning environment, including students, time, space, and materials. Develop effective procedures and rules. Implement grade-appropriate ideas, strategies, and resources that can be easily implemented in the classroom.

TARGET AUDIENCE
PK-5th Grade Teachers
