## Classroom Management for PK-5<sup>th</sup>

Effective classroom management is not simply the absence of discipline problems, but an intentional set of practices and procedures that promote positive relationships and an engaging environment for all students. This course is designed to help PK-5 school personnel organize and manage an effective learning environment. The course will provide grade-appropriate ideas, strategies, and materials from “Teaching with Love and Logic” that teachers can implement in their classroom or digital learning environment.

PK-5 Classroom Management is directly aligned to TKES Standard 7: Positive Learning Environment.

**Special Note: Classroom Management for 6-12 is offered on another date and time.**
