CLASSROOM MANAGEMENT FOR 6TH-12TH GRADE TEACHERS

CLASS DESCRIPTION

Classroom management is not simply the absence of discipline problems but an intentional set of practices that promote a positive environment for all students. Routines, procedures, protocols, and engaging strategies intentionally taught and reinforced prevent off-task behaviors and promote a caring and positive climate in the classroom. This course is designed to help teachers in grades 6-12 create a classroom management plan, with a specific focus on determining expectations and procedures to organize and manage the learning environment to maximize academic success.
