## ENDORSEMENT DESCRIPTION

The *Coaching Endorsement* is a fully virtual, three-course program designed to equip educators with the knowledge, skills, and mindsets necessary to lead instructional improvement through effective coaching. **Course 1: Skills for**

**Effective Coaching** introduces foundational coaching knowledge, including the role of a coach, performance criteria for effective coaching, and strategies for analyzing teacher strengths. Participants learn to develop SMART goals and build collaborative, data-informed coaching plans that support individual and schoolwide growth. **Course 2: Practices for Effective Coaching** focuses on implementing research-based coaching strategies, delivering meaningful feedback, and aligning coaching efforts with school improvement goals.

Participants enhance their verbal, written, and non-verbal communication skills to build trust and foster a positive, collaborative coaching culture. **Course 3: Reflective Coaching Practice** emphasizes reflective practice, data-driven progress monitoring, and ethical communication. Participants apply prior learning to conduct coaching sessions, provide actionable feedback, and lead continuous improvement efforts rooted in trust-based relationships. Together, these courses prepare educators to coach with confidence and impact—developing teacher capacity, improving instruction, and ultimately enhancing student achievement.
