

CONNECTED CLASSROOMS *Institute*

**Integrating Technology, Coaching,
& Data for Instructional
Improvement**

Targeted Keynote & Breakout Sessions

**What happens when great teaching meets the power
of technology, AI, coaching, and data?**

The ConnectED Classrooms Institute is designed for educators, instructional coaches, and school leaders who are ready to move beyond “What’s new?” and focus on “What works, and how can I use it?”

Explore innovative, practical strategies that harness **technology**, **artificial intelligence**, **instructional coaching**, and **data** to strengthen instruction and accelerate student success.

Come ready to learn, connect, create, and apply. You’ll leave with fresh ideas, practical tools, and strategies you can put into action immediately.

Only \$75
