Differentiated Instruction: How to Make it Manageable

This class will help you differentiate instruction so your students will be engaged in learning in a manner that suits their abilities and learning styles while still being manageable for you.

Using the practical and easy-to-implement strategies from this class, you will be equipped to reach and teach every student in manageable ways.

This class supports teachers' professional learning goals to meet standards 1, 2, 3, 4 & 6 of TKES as they further their professional development in the planning and implementation of differentiated instruction.
