# Differentiated Instruction *for Math K-12 Teachers*

Differentiated instruction demands strategies and procedures for students to succeed with the challenging curriculum of the Georgia Standards of Excellence. Utilizing research-based practices, educators will examine various strategies and data collection tools for differentiated instruction.

Instructor will share strategies and resources to implement in the classroom, ensuring a job-embedded professional learning experience to refine teacher practice and improve student achievement. Teachers will collaborate to generate ideas for differentiating a lesson to implement with their students. This class supports teachers' professional learning goals and plans to meet standard 4 of TKES as well as Standard 8.
