Digital Citizenship: Appropriate Use of Technology in Schools

All PK-12 school educators and leaders can promote appropriate technology use by being knowledgeable and effective users themselves. This course will focus on the key components of healthy digital citizenship for schools, staff, and students. It will also show candidates how to employ and monitor technology to improve the quality and efficiency of curriculum, assessment, instruction, operations, data, and management.

This class will have a ZOOM session on Nov. 15th from 5:00 PM - 6:30 PM and the remainder of the class will be asynchronous.

Date:	November 15 th , 2022 – November 22 nd , 2022
