SPECIAL ANNOUNCEMENT

A Conversation With Some of Georgia's Superintendents of the Year *Griffin RESA Summer Leadership Conference*

Griffin RESA is pleased to announce a panel consisting of some of the top educational leaders in the nation, who have also served as Georgia's Superintendent of the Year:

- Dr. Michael Duncan, 2021 Georgia Superintendent of the Year
- Ms. Samantha Fuhrey, 2020 Georgia Superintendent of the Year
- Dr. Curtis Jones, 2019 Georgia Superintendent of the Year

The addition of these three superstar educational leaders, of prestigious educational organizations in Georgia, is part of the growing list of outstanding educators who will be presenting at the Griffin RESA South Metro Summer Leadership Conference scheduled for June 5 and 6, and will complement an already star-studded list of presenters that will be unveiled in the coming weeks.

These noted educators have been superintendents and represented Georgia at the national level. They will be participating in a panel discussion which will highlight their educational leadership expertise as they share their wisdom, including tips for success and lessons learned.
