Vacancy Announcement

Elementary School Principal

Lamar County Schools is seeking to employ an Elementary School Principal beginning July 1, 2024.   As the Elementary School Principal, this individual will serve as the instructional leader of the school, using leadership and communication skills to foster the success of all students and develop and maintain positive and professional relationships with parents, students, staff, and community stakeholders.

Minimum Qualifications: Demonstrated school leadership in areas of instruction, assessment, curriculum development, discipline, extra-curricular activities, and school organization; thorough understanding of early childhood curriculum and instructional practices; minimum of 8 years successful experience in public education with three or more years teaching experience and supervisory or leadership experience as an assistant principal or principal; and hold a Georgia Certificate, L5, in Educational Leadership or be eligible for Leadership certification per GA Professional Standards Commission rules; L6 or higher preferred.   A detailed job description is available on the system application page.

Contract: 230 day (12 month)
Salary Scale: Georgia State Salary Scale and administrative supplement
Application Deadline: Open until filled
Starting Date: July 1, 2024

All interested applicants must complete an online application at www.lamar.k12.ga.us under the "Employment Opportunity" link.

This position will be open until filled.

"Learning TODAY to succeed TOMORROW."
