Positive Presence: Empowering the Paraprofessionals in Classroom Management & Student Behavior

WHEN

September 25, 2025

8:30 am – 3:30 pm

Registration Deadline: September 22, 2025

CLASS DESCRIPTION

This interactive, full-day professional learning course is designed to equip paraprofessionals with the skills, strategies, and confidence needed to effectively support student behavior and classroom management. Participants will explore their unique role in fostering positive learning environments through proactive behavior strategies, effective communication, and collaborative support. From understanding the functions of behavior to practicing calming strategies, paraprofessionals will gain knowledge of strategies and practical insights to apply in real classroom settings. The session also includes guidance on supporting students with plans for behavior success and working as part of a cohesive instructional team. Through reflection, modeling, and planning, attendees will leave with strategies ready for immediate implementation.

TARGET AUDIENCE

Paraprofessionals
