Conference

Instructional Coaching That Sticks

*Practical Strategies to Strengthen
Teaching and Learning*

Inspire. Empower. Transform.

Join us for a dynamic event designed to inspire and equip educators, leaders, and coaches with the latest strategies and insights in instructional coaching. This conference offers a unique opportunity to engage in practical, relevant, and high-impact sessions that elevate coaching practices across a variety of instructional environments.

Including essential coaching topics such as:

*Building Relationships with Coaches
Courageous Conversations
Implementing the Coaching Cycle
Clarifying the Roles of the Coach
Using Data to Develop Coaching Plans*

In addition to concurrent sessions, participants will also explore key topics such as curriculum planning, classroom management, Multi-Tiered Systems of Support (MTSS), and strategies for supporting diverse student populations.
