

FY27 Endorsement Information

Enhance your impact through continuous learning:
Shaping the future, one course at a time.

ENDORSEMENT INFORMATION

Enhance your educational career with our widely sought-after endorsement programs. Gain the knowledge and skills to excel in your field, advance your career, and make a meaningful impact on student learning. Take the next step toward enhancing and expanding your learning.

Griffin RESA's endorsements are offered online through a virtual learning management system. The program content is provided to meet the rigorous GaPSC standards for each unique endorsement.

OPTIONS FOR PARTICIPATION

Individual educators may apply to join an endorsement. Through the registration process, they will indicate the endorsement program and the appropriate payment method.

District and School cohorts may be developed with a minimum of 20 participants. *Please inquire with Griffin RESA Director of Professional Learning regarding a district or school contract.*
