UNLOCK THE POTENTIAL: EXPLORING THE GEORGIA MILESTONES MATHEMATICS ASSESSMENT FOR GRADES 6-8

CLASS DESCRIPTION

Are you seeking insights into the latest enhancements in the Georgia Milestones Mathematics Assessment? Are you eager to delve into cutting-edge resources tailored for both educators and students? If your answer is yes, then look no further—this professional learning course is crafted just for you. This workshop is meticulously designed to equip educators teaching Mathematics in grades 6th-8th with a robust foundation of knowledge and skills. Gain the expertise needed to adeptly design, select, interpret, and utilize assessments, empowering you to make informed educational decisions. Elevate your classroom practices, enhance student learning experiences, and foster improved achievement outcomes. Join us as we unravel the intricacies of educational assessments and empower you to steer your students towards success.
