CLASS DESCRIPTION

The Georgia Department of Education's Educator Development Division is partnering with the RESAs and the Alliance for a Healthier Generation to host the upcoming **Wellness in Action: Thriving Staff, Thriving Schools** session. This interactive session from 9 AM-12:30 PM will highlight practical strategies for building positive relationships among staff, creating an authentic system of gratitude, and providing resources and tools that help educators prioritize their own well-being. Participants will leave with actionable ideas and tools to cultivate a supportive, thriving work environment, strengthening teacher retention and building stronger schools.

Wellness teams are encouraged to attend!
