

# INFORMATIONAL SESSION

Leader and Educator Acceleration and Development System

The Georgia Leader and Educator Acceleration and Development System (GaLEADS) values teachers at each stage of their career, promotes personalized professional development, and offers teacher leadership pathway.

This new system allows teachers to improve their craft, share strengths, and be recognized for contributions to the profession.

- ✓ 17 Pilot School Districts
- ✓ System for Teacher Growth
- ✓ Provides Teachers w/ Resources
- ✓ Uniquely Supports Teachers
