

GaPSC Ethics Training for Paraprofessionals

To ensure the paraprofessionals know, understand, and can effectively apply Georgia’s Code of Ethics for Educators to their daily practice, the Paraprofessional Ethics Modules were developed by Georgia’s RESAs in collaboration with the GaPSC.

The enhanced learning gained by paraprofessionals who participate in the training will help protect them, their colleagues, schools, systems, community, and most importantly their students, by increasing professional and ethical practices and school safety.

Cost: \$25 Griffin RESA Region; \$35 Out of Area

Hours: 10 (1PLU) **Target Audience:** K-12 Paraprofessionals

The GaPSC Ethics Training for Paraprofessionals is a self-directed online module. Participants will have two weeks to complete.
