

The Griffin-Spalding County School District is accepting applications for the position of Principal for Griffin High School for the 2024-2025 school year. Griffin High has an enrollment of 1458 students.

JOB SUMMARY

The principal leads a school committed to the ongoing development and well-being of students, teachers, and staff. The Principal will provide strategic and instructional leadership and oversee management of the school's day-to-day operations.

ESSENTIAL FUNCTIONS

(Essential functions, as defined under the Americans with Disabilities Act, may include any of the following tasks, knowledge, skills, and other characteristics. This list is ILLUSTRATIVE ONLY and is not a comprehensive listing of all duties and responsibilities performed by incumbents of this class.)

- Provides strategic leadership for school improvement and development and the day-to-day operations of the school
- Ensures high standards of achievement for all students
- Ensures an orderly, motivational culture and a strong school community where teaching learning and healthy relationships can thrive
- Ensures responsive and effective systems and management of people and systems such that all students, parents, teachers, and staff are well-supported
- Creates and maintains a shared vision among all teachers of effective instruction
- Ensures ongoing improvement of teaching for all staff through a variety of strategies, including lesson observations; evaluation and feedback, regular use of data, collaborative planning and inquiry (including PLCs), regular professional development aligned to school improvement plan and goals, informal support strategies (including coaching and mentoring); systematic use of formative assessment data to guide learning support and drive instruction, curriculum, and professional development
- Ensures that curriculum is aligned with state standards and structured in a manner designed to help the school and students achieve the required objectives of the district and all federal and state guidelines
- Ensures high levels of student achievement and learning through rigorous and engaging classes designed to ensure the success of all students—including Special Education students, ESOL students, and students with 504 accommodations
- Sets and maintains high expectations for school culture and behavior by leading to alignment of students, teachers, staff, and parents around the system and school values and approach
- Provides ethical and motivational leadership appropriate to the cultural and political context in which the school operates
- Introduces and maintains data-driven behavior management systems and practices that ensure consistent norms of orderly, respectful behavior throughout the school and preserve the dignity of the teaching and learning in the classroom
- Leads to ensure students are exposed to life-learning and character-building opportunities
- Provides and supports a culture that motivates students through positive relationships between students and teachers, student success in achieving worthwhile and challenging goals, a strong sense of community in the school, and a variety of activities (including sports) and opportunities for all students
- Fosters mutually supportive relationships with parents, characterized by good communication strategies and involving parents where possible to grow buy-in and community with parents
- Provides strategic management which includes analysis of teacher and student data and takes appropriate actions based on data to improve student achievement

- Ensures effective teacher and staff management that is ethical, legal, and consistent with the district mission and school needs that provides clear definitions of responsibilities, expectations, and accountability
- Provides professional development, including a strong collaborative professional community, regular training opportunities, and strong support for induction teachers
- Manages school finances including managing budgets; analyzing and controlling expenditures with an understanding of the relationship between school objectives and the budget process, and use cost-benefit analyses for budgetary decisions—follows all district policies and procedures related to financial matters
- Provides school-level operations management with the appropriate district support services to ensure effective systems and manages the ongoing process of improvement in the following areas: school lunch program; transportation; facilities; student data; personnel data; information technology; safety and health, and risk-management—consulting with district personnel in times of uncertainty
- Builds and maintains public support for the school’s programs including maintaining effective and strong working relationships with parents and the community
- Supports the use of technology for student achievement
- Share effective practices with district administrators and colleagues
- Selects and recommends school personnel for employment
- Models and maintains high standards of professional and ethical conduct
- Oversight and management of building safety measures, which include the implementation of district safety protocols to mitigate the transmission of infectious diseases.
- Performs other related work as required
- Maintains prompt and regular attendance as physical presence on the job site is required.

EVALUATION

- The performance of this job will be evaluated by the provisions of the Board's policy on the evaluation of professional personnel.

KEY ATTRIBUTES:

- Visionary Leadership: We seek a principal who can inspire and motivate students, faculty, and staff toward a shared vision of academic excellence and personal growth.
- Effective Communication: The ability to communicate effectively with diverse stakeholders, including students, parents, teachers, and community members, is essential. Clear, transparent communication fosters trust and collaboration within the school community.
- Strategic Decision-Making: The principal must demonstrate a strategic mindset, capable of making informed decisions that align with the school's mission and goals. This includes resource allocation, curriculum development, and personnel management.
- Collaborative Management Style: A collaborative approach to leadership encourages teamwork, innovation, and a sense of ownership among staff members. The principal should value input from all stakeholders and foster a culture of mutual respect and support.
- Student-Centered Focus: Prioritizing the needs and well-being of students is paramount. The principal should champion initiatives that promote student success, well-being, and engagement inside and outside the classroom.
- Commitment to Equity and Inclusion: An inclusive and equitable school environment is non-negotiable. The principal must advocate for diversity, equity, and inclusion initiatives that ensure every student feels valued and supported.
- Adaptability and Resilience: The educational landscape constantly evolves, and adapting to change and navigating challenges with resilience is crucial for success.
- Instructional Leadership: A strong understanding of effective teaching practices and the ability to support and evaluate instructional staff is essential for promoting academic achievement.

We seek a dynamic and visionary leader who can inspire excellence, foster collaboration, and champion the holistic development of every student in our high school community.

Qualified candidates may apply by applying at <https://www.tinyurl.com/GSCSjobs>, along with an updated resume with a cover letter and three professional references.

The preferred date to apply is March 14, 2024; however, applications will be accepted until the position is filled.
