Growth Mindset: Shifting Students from a Fixed Mindset to Increase Student Achievement

This course will provide teachers with strategies that focus on developing a growth mindset mentality in students; strategies that improve students' motivation to learn, ability to tackle academic challenges with perseverance, accept setbacks as learning opportunities, and use feedback to improve performance.

This class supports teachers, school counselors, and student support personnel's professional learning goals to meet standards 1,2,3,4,5, and 8 of TKES.

This will support teachers as they plan and implement instructional strategies that supports students' abilities to perform at optimum individual achievement levels.
