CLASS DESCRIPTION

Elevate your impact by connecting with other instructional coaches! This job-alike provides a unique opportunity for Instructional Coaches/Instructional Effectiveness Facilitators to connect, network, collaborate, ask questions, exchange insights, share strategies, techniques, and solutions, and participate in discussions that center around your vital role. Particular emphasis will be placed on guiding and supporting the implementation of new ELA and math standards. You will have opportunities for whole-group and small-group discussions/collaboration within grade bands (elementary, middle, and high school), both within your district and with others to expand your network.
