## Integrating Science in Other Content Areas (K-5)

Do you find yourself with limited time to teach science? Do you want to find ways to integrate science into the other content areas? This class will provide you with some practical ways to do just that, in addition to providing the opportunity for you to collaborate with other teachers within your grade band.

This class supports teachers' professional learning goals to meet TKES standards 1,2,3, & 8 as they further their professional development to support student learning.
