

## Griffin-Spalding County School System

<b>Title: Math Coordinator</b>	<b>Category: Administration</b>
<b>Job Details: 215 Days/Exempt/Full-Time</b>	<b>Reports To: Executive Director of Teacher and Leader Effectiveness</b>
<b>Application Deadline: November 17, 2021</b>	<b>Salary Schedule: Administrative; Pay Grade: AS21</b>

### JOB SUMMARY

The Curriculum Coordinator will provide leadership and vision in the ongoing planning, implementation, development, direction, review and evaluation of the district's curriculum and instructional services to support student achievement in specific areas of curriculum as assigned by Director; e.g., ELA, Math, Science or Social Studies/Gifted.

### ESSENTIAL FUNCTIONS

*(Essential functions, as defined under the Americans with Disabilities Act, may include any of the following tasks, knowledge, skills, and other characteristics. This list is ILLUSTRATIVE ONLY, and is not a comprehensive listing of all duties and responsibilities performed by incumbents of this class.)*

- Leads in the development and maintenance of a positive coordinated educational program designed to meet the needs of all children
- Guides the development, implementation, and evaluation of curriculum and instruction
- Assists in the design, implementation, and evaluation of in-service training and staff development for target audiences
- Guides leaders in the collecting and analyzing of data to develop action plans in response to determined school needs
- Reviews district wide assessment data to determine growth, trends and areas of weakness for instructional/program improvement and professional development needs
- Assumes responsibility for the design of a local system of assessments to include data gathering and analysis
- Designs and implements feedback from staff, parent, student, and community members regarding curriculum and instruction
- Assists in keeping the community informed about the curriculum and instructional programs of the schools and student achievement in the state's learning results
- Assists in the development of a proposed annual budget relating to curriculum development and the instructional materials needs of schools
- Leads in the continued development of report cards
- Guides development, implementation, and evaluation of orientation and in-service training programs for professional personnel
- Works with building principals in the improvement of individual staff competencies
- Frequently visits each school to observe classroom instruction and to encourage, guide and support the faculty and principals in working toward achieving the learning results in K-12
- Supports student academic transition between grade levels and schools
- Provides support to all classroom teachers in implementing standards-based instructional and assessment practices through consultation, coaching, and the maintenance of active professional learning communities
- Maintains expertise through membership and participation in professional associations, reading professional journals, and by attending workshops and conferences
- Performs such other tasks and assumes such other responsibilities as assigned
- Maintains prompt and regular attendance
