

# Griffin RESA K-5 Science Endorsement

## Cohort 6

Griffin RESA is pleased to offer the K-5 Science Endorsement for teachers who wish to enhance their science content and pedagogical knowledge, as well as support the STEM efforts of their schools. The series of courses includes: 1) Teaching Science in Early Childhood, 2) Life Science and Earth Science, and 3) Physical Science and Space Science.

Each course consists of 50 instructional hours, delivered in a blended online format. Candidates will complete an authentic residency during which they will practice and refine their skills and knowledge and receive valuable feedback.

ZOOM Sessions will take place online, attendance at all sessions is mandatory. The remainder of the coursework will take place on an interactive online platform.

<b><u>Course 1:</u></b>	Sept. 12, 2023 – Nov. 17, 2023
2024333	(ZOOM Session on 9/12/23 from 4:30 PM – 7:30 PM)
<b><u>Course 2:</u></b>	Nov. 28, 2023 – Feb. 13, 2024
2024334	(ZOOM Session on 11/28/23 from 4:00 PM – 5:30 PM)
<b><u>Course 3:</u></b>	Feb. 27, 2024 – May 14, 2024
2024335	(ZOOM Session on 2/27/24 from 4:00 PM – 5:30 PM))

Participants MUST be present at all sessions. Additional online assignments are required.

- ***Required Text - Teaching Science in Diverse Classrooms by Douglas B. Larkin and Teaching Children Science: A Discovery Approach by Joseph Abruscato***

**Note:** Each course is \$250 per course for regional school systems. (Butts, Fayette, Henry, Lamar, Newton, Pike, Spalding, & Upson). For those school systems outside our RESA region, course cost is \$350 for a total endorsement cost of \$1050.00.
