## Literacy Tools Across Content and Grade Levels to Support Success

Our learning targets for this class are:

- What am I supposed to do if my students can't read or don't understand English well enough to complete the work in my content area?
- How can I select resources – print, visual, online, and other - to make my curriculum accessible to all students, regardless of reading level?
- What are some effective strategies to teach academic vocabulary?
- How do I assess student writing in my curriculum area if I'm not a language arts teacher?
