

MTSS Coaching Workshop 1

WHEN

October 28, 2025
8:30 am – 3:30 pm

Registration Deadline: October 21, 2025

CLASS DESCRIPTION

Are you a school leader working with an MTSS team to strengthen systems and processes that support the whole child? This coaching workshop and collaborative work session is designed for school-based teams and should include one administrator, at least two additional team members, and laptops with access to academic and behavioral data. Together, participants will assess current resources, analyze data trends, identify areas for improvement, and refine Tier 1, Tier 2, and Tier 3 supports to align with district guidelines and the school improvement plan. During this session, teams will explore the updated GaMTSS tools, evaluate their data management systems, and review school improvement goals to enhance intervention alignment and data-driven decision-making. By the end of the workshop, each team will walk away with a clear, actionable plan to strengthen their MTSS framework and ensure comprehensive academic, behavioral, and social-emotional support for all students.
