ELEVATE YOUR ELEMENTARY MATH CLASSROOM: A MANIPULATIVE MASTERCLASS

CLASS DESCRIPTION:

Calling All Elementary Math Teachers! Discover how manipulatives can transform math instruction and deepen students' conceptual understanding. This hands-on professional learning workshop provides practical strategies for using tools like color tiles, counters, number lines, base ten blocks, fraction towers, play money, hundreds charts, clocks, geoboards, tangrams, and more. Walk away with engaging activities and ready-to-use ideas that make math meaningful, interactive, & fun!
