Paraprofessional Job Alike

WHEN

October 21, 2025 8:30 am – 3:30 pm

Registration Deadline: October 14, 2025

CLASS DESCRIPTION

This professional learning session is designed to support paraprofessionals in developing essential skills that enhance student outcomes and strengthen school communities. Participants will explore strategies for building positive, respectful relationships with students and colleagues, while deepening their understanding of high-impact instructional practices that support learners. The session will also highlight the vital role paraprofessionals play as collaborative members of educational teams, working alongside teachers and staff to create inclusive, supportive learning environments.

TARGET AUDIENCE

Regular & Special Education
Paraprofessionals

COST

\$40 in region \$55 out of region
