Phil Hartley to Speak at

2022 Griffin RESA/South Metro

Summer Leadership Conference

Griffin Regional Educational Service Agency is pleased to announce that Phil Hartley will be one of the featured keynote speakers at the 2022 Griffin RESA South Metro Leadership Conference scheduled for June 6 and 7, 2022. Mr. Hartley is recognized throughout the state and region as being one of the leading authorities about legal issues in education. Educators across the state of Georgia are always anxious to hear his interpretations of the latest legislation passed, and this conference will give all participants an opportunity to be the first to get Mr. Hartley's legal issues update from the 2022 General Assembly session.

In just twelve years, this conference has become a very popular event for educational leaders across the state. At the last conference, approximately 175 leaders, presenters, and sponsors were in attendance representing 30 school systems in Georgia.

If you want to hear the latest legal updates so you are prepared for the upcoming school year, you will want to register for the conference to ensure your chance to hear Mr. Hartley, whose presentation alone will be worth the entire cost of the conference fee. Please visit www.griffinresa.net for details of registration. We look forward to the conference and hope you can join us for this special event.

Special Note(s):

(1) Our "Day" registration is for participants who are driving in daily to the conference (Monday, June 6th & Tuesday, June 7th). The "Full" registration includes conference attendance for both days and one night's lodging (Monday Night, June 6th).
