

Posting Date:	February 2024	Effective Date:	Once filled
Position Title:	Computer Science Endorsement Developer	Application Deadline:	Until filled
Employment Terms:	Contract for Computer Science Endorsement Development	Certificate Level:	T-5, L-5, Service, or Higher

Summary of Duties: We are seeking a dynamic and experienced educator to develop a cutting-edge Computer Science endorsement program. As the developer, you will have the opportunity to shape the future of computer science education by designing a comprehensive and innovative endorsement curriculum. The endorsement is comprised of 3 modules, made up of content, discussions, assignments, and assessments. The ideal candidate will possess a deep understanding of computer science principles, curriculum development expertise, online learning management experience, and a passion for advancing computer science education.

See GaPSC [Computer Science](#) endorsement program standards.
