Preschool Special Needs Consortium

The Individual with Disabilities Education Act (IDEA) Part B Section 619 is intended to help states ensure that all preschool-aged children (3 through 5 years of age) with disabilities receive special education and related services.

The Preschool Special Needs Consortium will serve as a collaborative network of regional educators and leaders that discuss, develop, and engage in best practices that support our young learners. Consortium members will follow state priorities and establish regional priorities to guide the focus of each session.

This professional development opportunity is provided by a grant for our regional school systems. Therefore, it is open only to educators in the Griffin RESA region: (Butts, Fayette, Henry, Lamar, Pike, Newton, Griffin-Spalding, and Thomaston-Upson School Systems).
