## Ready, Set Dive into 5th Grade Mathematics

Ready, Set, Dive! Join us at Griffin RESA as we dive into a deeper understanding of the NEW Georgia K-12 Math Standards for 5th Grade. Participants will examine how to effectively plan for and teach the New Georgia Math Standards through an interdisciplinary approach, using evidence-based routines and strategies that connect the instructional units to the Mathematical Modeling and Reasoning Frameworks.

The instructor will guide participants on how to use the NEW Georgia Milestones Mathematics Resources while planning instruction to help prepare students for the state-mandated assessments. If you want to dive into lessons, activities, and resources for the 2nd-semester instructional units, register for this class today.
