School Systems

SDI Reading Series: Strategies for Fluency, Vocabulary & Comprehension

In this class, participants will explore the second half of the five pillars of reading and align the pillars to specially designed instructional strategies. Through evidence from the science of reading, participants will learn how to assess the language comprehension portion of Scarborough's Reading Rope for students with disabilities.

The class will begin with fluency as the bridge from decoding to vocabulary and comprehension. Once the student's specific deficit skill is identified, alignment of interventions will target student specific concerns. The class will provide specific strategies to address the student concerns. Please note that this class does not teach a specific program; it teaches strategies that you can use the very next day.

This professional development opportunity is provided by a grant for our regional school systems. Therefore, it is open only to educators in the Griffin RESA region: (Butts, Fayette, Henry, Lamar, Pike, Newton, Griffin-Spalding, and Thomaston-Upson School Systems).

Date:	November 9, 2022
Time:	8:30am – 3:30pm
Location:	Griffin RESA
Cost:	\$0 (Registration is required)
