SEL Strategies to Support Student Learning

Through this class, participants will learn strategies and utilize tools that support the SEL competencies in students, such as cultivating self-management, responsible decision-making, self-awareness, social awareness, and relationship skills, all of which enhances students' academic performance.

This class supports K-12 teachers, school counselors, and student support personnel's professional learning goals to meet standards 1,2,3, and 7 of TKES as they plan and implement instructional strategies to create a positive learning environment that supports the whole child and improves academic achievement.
