PRESENTS:

# Special Education Law Updates with Julie Weatherly

January 24, 2024  
8:30 am - 3:30 pm

**COST \$15 (LUNCH PROVIDED)**  
**REGISTER [HERE](#)**

While neither IDEA nor Section 504 have been amended in many years, there continues to be a considerable amount of activity in special education law recently and it doesn't seem to be slowing down. This session will provide an update of the most recent significant special education "legal happenings," including an overview of relevant court decisions and agency interpretations that have been issued.
