

# Bringing Structured Literacy to Life: Systematic and Explicit Phonics Instruction

## WHEN

December 10, 2025  
8:30 am – 3:30 pm

**Registration Deadline:** December 3, 2025

## CLASS DESCRIPTION

Do you want to make your phonics instruction more effective and engaging for students? This session equips educators with the knowledge and tools to implement systematic and explicit phonics instruction within a structured literacy framework. Participants will explore research-based strategies for teaching phoneme-grapheme correspondences, decoding, encoding, and high-frequency words to support all learners, including those with reading difficulties. Through hands-on activities, practical demonstrations, and collaborative discussions, educators will gain actionable techniques to enhance phonics instruction and strengthen foundational literacy skills. Attendees will leave with ready-to-use resources and strategies to create engaging, evidence-based phonics lessons that promote reading success.

## TARGET AUDIENCE

K-5<sup>th</sup> Grade  
Educators,  
Paraprofessionals,  
& Instructional  
Coaches
