Supporting the Student with a Specific Learning Disability in Reading

Supporting students with a specific learning disability in reading can be a challenge. This class is designed to help teachers support students with dyslexia. It focuses on a variety of topics surrounding the disability. Participants will learn about the origins of dyslexia, how to screen for characteristics, strategies to support the dyslexic learner, and the components of effective reading instruction.

This professional development opportunity is provided by a grant for our regional school systems. Therefore, it is open only to educators in the Griffin RESA region: (Butts, Fayette, Henry, Lamar, Pike, Newton, Griffin-Spalding, and Thomaston-Upson School Systems).
