

Just in Time Technology Tools 201 Online Workshop March 14- 21, 2022

Griffin RESA is pleased to announce the
Just in Time Technology Tools 201 Online Workshop

This workshop is designed for participants who want to increase their classroom technology toolbox. Participants will get to “Make It & Take It” virtually by learning how to use and incorporate digital tools. Whether they are teaching virtually or just want to enhance their face-to-face instruction, these sessions are directly applicable to designing instructional content in the 21st Century.

Sessions will be conducted by Griffin RESA staff that demonstrate step by step instructions for using these different technology tools. Educators will leave each session with a video tutorial and directions to easily create on their own.

Sample Workshop Sessions:

- Using Jamboard in the Classroom
- Polling Tools for Formative Assessment
- Using ZOOM Whiteboard and Annotations
- Virtual Libraries for ELA
- Create Drop and Drag Activities Using Google Slides
- Integrating Assistive Technology into Virtual Instruction
- Using Virtual Manipulatives in Mathematics
- And others!

Cost \$35
