## The Georgia Mathematics Content Standards for 4<sup>th</sup> Grade

The goals of this professional learning session are to discuss changes and improvements embedded within the new 4<sup>th</sup> Grade mathematics standards, learn the intent of the standards in each grade level and course, and discuss the importance of mathematical reasoning that is woven into the standards. Participants can expect to explore the ideas of Mathematical Modeling and the Framework for Statistical Reasoning as embedded into the new standards and discover how these can impact student learning of mathematics. The instructor will also engage participants in math tasks and activities that model the expectations for mastery of some standards and explore GaDOE resources that support effective implementation of the new 4<sup>th</sup> Grade mathematics standards.

The 2022-2023 school year will be dedicated to teacher training on the new standards, with implementation to follow in 2023-2024.

<b>Date:</b>	November 29 <sup>th</sup> , 2022
<b>Time:</b>	8:30am – 3:30pm
<b>Location:</b>	Griffin RESA
<b>Cost:</b>	\$35 (Registration is required)
<b>Target Audience:</b>	4 <sup>th</sup> Math Teachers
