March 3, 2027
9:00 a.m. - 3:00 p.m.

Griffin RESA

Lunch will be provided.

### Coherence at the Core: Aligning Vision, Instruction, and Impact

A dynamic professional learning experience focused on strengthening the systems, practices, and instructional decisions that drive student success, moving from fragmented initiatives toward coherence across classrooms, schools, and districts.

**VISION**

shared instructional vision
aligned priorities
protected instructional time
continuous improvement

**INSTRUCTION**

evidence-based teaching
engagement, rigor, & differentiation
responsive teaching

**IMPACT**

meaningful data
collaborative analysis
responsive decisions
student growth
stronger outcomes

**One vision.**
**Aligned instruction.**
**Measurable impact.**
