## What, Why, and How Do I Co-Teach?

Co-teaching is a frequently used inclusion service delivery model for students with disabilities. IDEA states that all students with disabilities must receive a free, appropriate public education in the least restrictive environment. In this introductory course, participants will learn the six co-teaching models and how to strategically choose between the models, what specially designed instruction is and is not, and how it directly relates to the roles and responsibilities of special educators who co-teach.

**This professional development opportunity is provided by a grant for our regional school systems. Therefore, it is Open only to educators in the Griffin RESA region: (Butts, Fayette, Henry, Lamar, Pike, Newton, Griffin-Spalding, and Thomaston-Upson School Systems).**
